

Residential Builder Licence Certificate

Licence number: 49721

Licensee: AXM Contracting Ltd.

Licence issued on: June 28, 2022

Status: In good standing

Expiry: June 30, 2024

As a condition of your licence, you agreed to:

- Comply with the regulations, legislation and standards in force that are applicable to new home construction or building envelope renovation, including the Homeowner Protection Act and regulations;
- Immediately notify the Licensing & Consumer Services Branch of BC Housing of any change of address, email address or other information provided in your application.
- Complete continuing professional development in accordance with Schedule 7 of the regulations within the term of the licence.

Failure to comply with these conditions could result in the suspension or cancellation of your licence.
